

## Your College Roadmap

### Grade 9- First year of high school

- Begin to understand the Core Course requirements and your progression to accomplishing them
- Develop strong study habits and commit to maintaining this standard
- Put together a time management plan (how much time spent on studying and golf)
- Begin to play a challenging but manageable golf schedule

### Grade 10- Second year of high school

- Prepare for PSAT
- Begin SAT/ACT Prep and TOEFL prep
- Learn about academic majors and resources
- Have conversations with Heritage Academy and IJGA golf coaching staff and college placement regarding your goals
- Continue to complete Common Course requirements
- Register for NCAA Eligibility Center
- Earn AJGA stars to use for exemption in upcoming summer tournaments

### Grade 11- Third year of high school

- Take the SAT or ACT
- Take the TOEFL exam (if necessary)
- Maintain best GPA possible
- September 1<sup>st</sup> of Grade 11, college coaches may email prospective student athletes
- Take unofficial college visits (unlimited allowed under NCAA regulations)
- Continue to complete Common Course requirements
- Play AJGA events and well known statewide and regional tournaments
- During the summer, rising 12<sup>th</sup> graders should prepare rough drafts of a college application essay and begin working on the Common Application.

### Grade 12- Fourth year of high school

- July 1<sup>st</sup> coaches can call prospective student athletes
- Take official college visits (only five total allowed under NCAA regulations)
- Re-take SAT/ACT or TOEFL to establish higher scores if necessary
- Complete core course requirements
- Send official final transcripts upon graduation
- Complete final tasks listed in NCAA Eligibility Center portal
- Play AJGA events and well known statewide and regional tournaments

Should you add Post-Grad info here? Perhaps suggest that you meet individually or in small groups to discuss logistics of the college application process what that entails.

We are now accepting applications for Fall. [Apply Now.](#)

We know college is important to you, which is why it is important to us, too. IJGA College Planning & Placement has decades of experience finding the right college for students.

IJGA College Planning & Placement works with all full-time Academy students to create an individualized roadmap to reach their goal of studying and playing their sport at the collegiate level. This is accomplished through college planning, athletic recruiting, SAT/ACT/TOEFL registration, academic support and NCAA compliance education. We work with Heritage Academy to monitor student grades, make scheduling recommendations and send transcripts to colleges, coaches and to the NCAA.
